Dear Parent/Carer

A2 Physics Textbook

As you are aware your child has recently begun the second year of the A level physics course. Your child has been lent a copy of the 'Advanced Physics for You' textbook, which is a good general A level physics textbook. We have also offered them the chance to purchase a course specific A2 physics revision guide.

We are now able to offer them the chance to also purchase a copy of the A2 course specific textbook which is published by Oxford University Press. These textbooks will be available at a discounted rate of £22.80; the undiscounted rate is £28.50. Please note that the discount is only valid as a bulk buy purchase through the school. These are the textbooks we shall be using in class.

If your child does not wish to purchase a copy of this textbook two copies will be available for use during study periods in the physics department but unfortunately these will be unavailable for use at home.

If you would like to purchase a copy of the A2 textbook please forward £22.80 to Sackville School via the online payment system and return the reply slip below to Mr Wilcox as soon as possible.

Yours sincerely

Mr P Wilcox
Leader of Physics

To: Mr Wilcox – physics department

A2 Physics Textbook

Name of student _____ Form _____

I wish to purchase a copy of the A2 physics textbook and have paid online

Parent/Carer name (please sign) _____

Parent/Carer name (please print) _____

Date _____
