September 2017

Dear Parent/Carer

### **AS Physics Revision Guide**

We are currently in the process of buying AS level physics revision guides for the students. These revision guides are a great help to the students throughout the year and especially in the run up to tests and examinations.

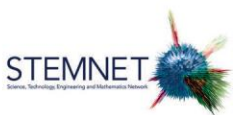

You may wish to either purchase a copy of the AS physics revision guide or borrow a copy from the physics department for the year. If you wish to purchase a copy your child will be free to write in it and use it in any way they wish to help them revise. If you would prefer to borrow a copy we will need it returned undamaged before the end of the school year. The cost of purchasing a revision guide is £5 and payment can be made via the online payment system or by cash.

If your child will be continuing with physics in year 13 we are also offering an AS and A2 combined revision guide for £9 saving £1 over the two years.

Please complete and return the slip attached, with payment if you wish to purchase the revision guide.

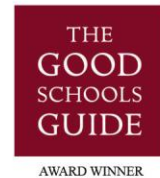

Yours sincerely

Mr P Wilcox  
**Leader of Physics**
