September 2017

Dear Parent/Carer

GCSE French Revision Guide and Workbook

Students taking a GCSE languages exam in summer 2018 will be the first to take the new GCSE exam, which will be examined 100% by final exams in the four skills of speaking, listening, reading and writing. Due to the challenging nature of these new exams, and the fact that content from any part of the course can be included, it is even more important than ever that students are working outside of class time through the completion of homework but also independent revision and exam practice.

For this purpose we would like students to purchase their own copies of both 'Revise Edexcel GCSE (9-1) French Revision Workbook' and 'Revise Edexcel GCSE (9-1) French Revision Guide'. These publications are devised by the examination board itself; the questions therefore follow very similar patterns to those used for GCSE. The advantages of a personal copy are:

- the revision guide includes vocabulary on all the topics covered in the new GCSE specifications
- the workbook provides exam practice questions related to the topics in the guide
- all work is kept in one place so students do not have to refer to a textbook and the related answers in an exercise book
- students can annotate and highlight the texts, (a key skill for GCSE)
- students have further access to examination practice beyond that set for homework

Each publication includes 113 pages of graded activities and audio files are available online free of charge. The cost is just £2.50 per book which is outstanding value and less than half of the cost price.

We would be grateful if you would purchase these books for your child. Payment can be made online or by cash. Please include the attached slip with your payment.

We have a very limited amount of copies of the workbook to loan to students who are unable to purchase their own copies. Please indicate on the slip if you would like your child to use one of these books.

I would like to talk this opportunity to thank you for supporting your child in their studies of GCSE French.

Please note that return of the slip is compulsory. Thank you for your cooperation.

Yours sincerely

Miss J Lloyd
