September 2016

Dear Parent/Carer

As a practical performance course, students are required to dress accordingly for BTEC performing arts lessons. There will be times when students will be required to change for physical sessions.

Students should wear leggings or jogging bottoms (not jeans) and a t-shirt (no logos) with bare feet or dance shoes.

We are offering BTEC performing arts students the opportunity to purchase course t-shirts and hoodies which will be printed on the back with the student's name in order that they can be easily identified in exam recordings. The purchase of the course kit is entirely optional.

T-shirts cost £7.50 and hoodies are priced at £17.00 and these will be printed on the back with the student's name in order that they can be easily identified in exam recordings.

Please use the order form below and return by Wednesday 28th September. Please make an online payment or forward a cheque payable to Sackville School .

Yours sincerely
