October 2013

Dear Parent/Carer,

World Challenge Ethiopia 2014 Training Expedition 28th – 29th October 2013

In preparation for the expedition, all team-members should take part in the training days on Monday 28th and Tuesday 29th October. This will consist of camping skills, outdoor cooking, walking and discussion of safety issues. This training is normally an integral element of the World Challenge programme for those going on longer World Challenge expeditions and for us will form the compulsory 'fitness test' element of our expedition preparation. The training is intended to cover important information about their trip to Ethiopia and give team members an opportunity for team building.

We will travel to the South Downs by minibus, departing from school at 11.00 am on the Monday 28th October 2013 and returning to school in on Tuesday 29th October at approximately 4.00pm. The challengers should bring everything on the attached kit list and £3 in cash for food (challengers should not bring any food with them). There is a more detailed kit list for the actual expedition to Ethiopia available to view at www.myworldchallenge.com.

There will be a World Challenge representative coming into school on Thursday 24th October to work with challengers from 3.00pm - 5.30pm and then to meet with challengers and parents from 5.30pm to 6.30pm. This information should have been sent to you directly by World Challenge so it is important to inform them if there are any changes to your contact details.

If you have any questions please do get in touch by e-mail: nrobinson23@wsgfl.org.uk

Please fill in the attached consent and medical form and return to Mr Robinson by Friday 18th October 2013.

Yours sincerely

Mr N Robinson
World Challenge Team Leader
