March 2014

Dear Parent/Carer

### **Sackville School World Challenge Expedition, India 2016**

Following the success of last summer's World Challenge expedition to Brazil we are launching another very exciting opportunity for students to plan and lead their own World Challenge expedition to India in the summer of 2016. This expedition programme will be presented to parents and potential challengers on Thursday 22<sup>nd</sup> May 2014 from 6.00pm to approximately 7.30pm. I hope that you will be able to attend this presentation.

This opportunity is being offered to present year 10 students and will give the team a totally unique opportunity to learn and develop teamwork, leadership and communication skills in a fascinating and challenging environment. The expedition will cost £3,895. The ethos of World Challenge is that as much as possible of this cost is covered by the students by working and various fundraising activities.

World Challenge Expeditions are an organisation with nearly 20 years' experience of running international school trips. They have worked with over 750 schools and 80,000 young people and will provide professional safety backup, supervision and training at every stage. They work with qualified and experienced leaders who will accompany the team whilst away, providing support and guidance throughout.

The presentation will be run by the School Programme Facilitator who World Challenge has assigned to the school. The presentation will be both interesting and comprehensive, covering all aspects of the programme such as its aims, safety, training and funding. I hope that you will be able to attend and would be grateful if you could return the reply slip below to let me know how many people will be attending.

Yours sincerely

Mr P Wilcox  
**World Challenge Coordinator**
