Dear Parent/Carer

In the maths department we are looking at bridging the gap between GCSE and A level and consequently we are offering an A/AS level maths preparation day at the end of June. The focus of the day will be on algebra which underpins both courses. A detailed programme of the A level and AS course will be given to the students on that day.

We will be doing a full day of teaching from **9.00am to 2.00pm** on **Thursday 29th June 2017**.

Please return the reply slip below to me by Friday 12th May 2017.

Yours sincerely

Mr S Rahim
Curriculum Leader of Mathematics
