Dear Parent/Carer

As the current academic year progresses, your child will be looking towards revision for the final examination.

Revision in class must be supplemented by efforts in the students' own time and to aid this process, may we take the opportunity to recommend a revision guide and workbook published by Pearson. The revision guide lays out the Business Studies theory and the accompanying workbook contains questions and answers on each topic area to test knowledge.

The price of the revision guide and workbook combined is £4.98.

Purchase is by no means compulsory, but the company offers a substantial discount if both books are ordered through the school. The books would cost £3.99 each if purchased through the leading high street retailers and so this is a significant saving.

Previous year groups have found these books very useful in their final GCSE year. If you would like to purchase the revision guide and accompanying question book, please complete the slip below and return with a cheque for **£4.98** by **Friday 12th December 2014**, alternatively you may pay online.

Please note that the discount is only available if both books are purchased – we are unable to offer them separately.

Yours sincerely

Mrs J Fleming
