Dear Parent/Carer

We are pleased to inform you that we now have the AS/A level English language textbook. The book was due to be published in September but was delayed. This is the only book which accompanies the specification that students are following with OCR. As this is a new specification and assessment schedule, we require all students to purchase the text.

The cost of the book, if purchased through school, is £27.49 and is for the two year course; the recommended retail price is £34.99. Students can pay online or by cheque. Please complete the slip below and return it to me.

Please do contact me should you have any queries or worries concerning payment.

Yours sincerely

Mrs R Stuart
Curriculum Leader of English
