September 2015

Dear Parent/Carer

As you are aware your child has recently started the A level physics course. To support their studies they have been lent a copy of 'Advanced Physics for You', which is a good general A level physics textbook. We have also offered them the chance to purchase a course specific AS physics revision guide.

We are also now able to offer them the opportunity to purchase a copy of the AS course specific textbook which is published by Oxford University Press. This is the textbook we shall be using in class and includes detailed explanations of the key concepts alongside questions with answers.

These textbooks will be available at a discounted rate of £19.99; the undiscounted rate is £24.99. Please note that the discount is only valid until the end of September and is dependent on the number of students wishing to purchase a copy of the textbook. If you do not wish to purchase a copy of this textbook, two copies will be available for use during study periods in the sixth form library, with further copies available in the physics department. Unfortunately these will be unavailable for use at home.

The cost of purchasing a copy of the AS textbook is £19.99 which can be paid online or by cheque. Cheques should be made payable to Sackville School. Please complete and return the slip below to secure your copy.

Yours sincerely

Mr P Wilcox
Leader of Physics

To: Mr P Wilcox

Name of student

I wish to purchase a copy of the AS physics textbook and have paid online

I wish to purchase a copy of the AS physics textbook and have enclosed a cheque for £19.99 made payable to Sackville School
