Signature of Parent/Carer:

Based on the success of last year's year 9 intensive study visit, the Modern Foreign Languages Faculty is organising another trip for students in year 9 who are studying German. Students will follow five full days of German lessons and activities. The emphasis will be on improving students' language skills and on preparing students for the GCSE German examination. German teachers will lead the trip and will give formal language lessons daily and undertake visits from the study centre involving language practice.

Itinerary

Excursions MAY include a cruise down the Rhine, a trip to a bowling alley and other excursions to local towns and attractions. On all trips, students will be given tasks to complete in German. Please note that these excursions are liable to change and the faculty reserve the right to do so.

Accommodation

Students will be accommodated in a hotel with excellent group facilities and delightful views near the pretty city of Koblenz. The centre has classrooms and a separate dining area. Please note that the final choice of hotel has yet to be confirmed at the time of printing.

Who can go?

The study visit is open to all students in year 8 who are studying German. Language tasks will be geared to your child's linguistic level. In accordance with school policy, a student's record of conduct and reliability will be taken into account in the final composition of the party.

How to book a place

Please discuss this valuable opportunity with your child and if interested, return the booking form together with **non-refundable** £80.00 deposit as soon as possible and in any case no later than **FRIDAY 31st JANUARY**.
