October 2016

Dear Parent/Carer

As you are aware your child has recently begun the A level physics course. Your child has been lent a copy of the 'Advanced Physics for You' textbook, which is a good general A level physics textbook. We have also offered them the chance to purchase a course specific AS physics revision guide.

We are now able to offer your child the chance to also purchase a copy of the AS course specific textbook which is published by Oxford University Press. These textbooks will be available at a discounted rate of £21.20; the undiscounted rate is £26.50. Please note that the discount is only valid until the end of October and is dependent on the number of students wishing to purchase a copy of the textbook. These are the textbooks we shall be using in class.

We are also able to offer a combined AS and A2 physics textbook which covers the whole of the year 12 and 13 course which has a discounted cost of £32; the undiscounted rate would be £40. This would give a total saving over 2 years of £10.40 from buying the AS and A2 books separately.

If your child does not wish to purchase a copy of this textbook two copies will be available for use during study periods in the sixth form library and in the physics department but unfortunately these will be unavailable for use at home.

The cost of purchasing a copy of the AS textbook is £21.20 and for the combined book it is £32. Payment may be made using the online payment system. Alternatively cheques should be made payable to Sackville School.

Please complete and return the slip below, with payment as soon as possible.

Yours sincerely

Mr P Wilcox  
**Leader of Physics**

.....  
 To: Mr Wilcox – physics department

Name of student ..... Form .....

I wish to purchase a copy of the AS physics textbook and have enclosed a cheque for £21.20 made payable to Sackville School

I wish to purchase a copy of the AS physics textbook and have paid online

I wish to purchase a copy of the combined AS and A2 physics textbook and have enclosed a cheque for £32 made payable to Sackville School

I wish to purchase a copy of the combined AS and A2 physics textbook and have paid online
