November 2016

Dear Parent/Carer

HSC Btec Assessment Visits

I would be grateful if you could note the following dates of important Health and Social Care visits. These visits will form a vital part of our assessed coursework.

Monday 7th and 21st November - Chequer Mead visits to take place in HSC lesson time
Thursday 3rd and 17th November - Littlefair Care Home visits to take place in HSC lesson time

We are now starting one of our portfolio topics for official assessment. The topic will be based around the theme of organising a visit for a group of people with special needs. We will be preparing and working towards our role play assessments with a visit to Chequer Mead Arts Centre in East Grinstead. We will go into the centre and students will conduct role plays and risk assessments on the suitability of the centre for such a visit. We have also arranged for students to interview staff about hosting groups of people with special needs.

Students will be recorded and filmed doing a role play as well as explaining their findings. This work forms part of the official Btec portfolio.

The filming and recording will take place in normal lessons later this term. Students will be taken into town by mini bus accompanied by Mrs Valentine and one other member of staff.

We will also be observing and then playing a game of bingo at Littlefair Care Home. Students will be assessed on their participation and contribution to the task.

There is no charge for either visit.

Thank you for your help.

Yours sincerely

Mrs H Valentine
Head of Health and Social Care
