March 2018

Dear Parent/Carer

As part of Sackville's commitment to providing the highest quality of learning experiences for its students, we are undertaking a review of the school's approach to Spiritual, Moral, Social and Cultural development (SMSC). To assist with this process, we will be asking year 7 students to complete a questionnaire on their views of SMSC provision at Sackville and on their experiences of the transition process from primary school to Sackville.

The reason I am writing to you is because I wish to use data generated from this questionnaire in my MA dissertation. I am undertaking an exploratory case study into what secondary schools can learn from primary schools about effective Spiritual, Moral, Social and Cultural Development (SMSC). If you do not wish your child to take part, please return the attached form by Friday 16th March to the year 7 year office.

Should you have any further questions please do not hesitate to contact either myself, or Mr N Feist, Deputy Head. Our contact details are available at the bottom of this letter.

Yours sincerely

Ms A Vance
SMSC Coordinator
