September 2018

Dear Parent/Carer

During the next academic year your child will be preparing for their GCSE in Business.

Work in class must be supplemented by efforts in the students own time and to aid this process, may we take the opportunity to recommend a revision guide and workbook published by Pearsons. The revision guide lays out the business studies theory and the accompanying workbook contains questions and answers on each topic area to test knowledge.

The price of the revision guide and workbook combined is £5.00.

Purchase is by no means compulsory, but the company offers a substantial discount if the book is ordered through the school. The books would cost £5.99 each if purchased through the leading high street retailers and so this is a significant saving.

Previous year groups have found these books very useful. If you would like to purchase the revision guide and workbook, please complete the reply slip below and return payment via the online system or with cash for £5.00 by **Friday 5th October.**

Yours sincerely

Mrs Julie Fleming
Curriculum Leader of Business, Law and Economics
