Dear Parent/Carer

Physics Revision Guide

We are currently in the process of buying A level physics revision guides for the students. These revision guides are a great help to the students throughout the two years of the course and especially in the run up to tests and examinations.

You may wish to either purchase a copy of the A level physics revision guide or borrow a copy from the physics department for the year. If you wish to purchase a copy for your child they will be free to write in it and use it in any way they wish to help them revise.

If you would prefer to borrow a copy we will need it returned undamaged before the end of the school year.

If you would like to purchase a revision guide please forward £9 to Sackville School via the online payment system.

Please complete and return the slip below if you wish to purchase the revision guide.

Yours sincerely

Mr P Wilcox
Leader of Physics
