October 2013

Dear Parent/Carer

Ski Journey - Winter 2013/2014

Our records show that your child has no previous skiing experience and in order that he/she might gain the best value from the ski trip, we strongly recommend some instruction on an artificial ski slope before the trip.

With this in mind, we have arranged for two, 2 hour sessions at Bowles Outdoor Pursuit Centre at Eridge, near Crowborough. These will take place on Wednesday 6th November and Wednesday 27th November from 4pm-7.45pm. The cost will be £35.00 inclusive of transport and insurance. We will travel to and from the centre by minibus. The only specialist items of ski clothing that will be needed are a pair of ski socks and a pair of gloves. All equipment is included in the price.

Would you please complete the form below and the parent's consent form, and return them as soon as possible with a cheque made payable to Sackville School. The forms and cheque should be put in an envelope marked **Dry Slope Practice** and handed in to the finance office. It is also possible to pay online.

Please address any queries that you may have about ski practice to Mr Latus.

Yours sincerely

Mr S Latus
Party Leader

Ski Practice

I wish my child of form to attend the artificial ski slope practices on Wednesday 6th November and Wednesday 27th November 2013.

I enclose a cheque for £35.00 made payable to *Sackville School*/I have paid online (please delete as appropriate)
