September 2019

Dear Parent/Carer

GCSE and A level Physical Education Videoing Practical Evidence - Thursday 3rd October 2019

You are invited to an information evening about the videoing of activities in the various sports for both GCSE and A level. The presentation will cover all aspects of filming and will give you an opportunity to ask any questions regarding the practical evidence for these courses.

This is especially of interest to those students who are taking part in activities which are not covered by school sport, for example activities such as horse riding, skiing or cross country running and also for sports played at a higher standard than that at school level eg county, regional or national standard.

The presentation will begin at 5.30pm and will hopefully finish at around 6.30pm.

I look forward to seeing you on the afternoon.

Yours sincerely

Mr A Currie
Head of Boys PE
