

Recipients: Parent/Carer(s)

Subject: A Level Business - '20B420' Activity Booklet

Message:

Dear Parent/Carer

If you are struggling for a stocking filler for the difficult to buy for teenagers we can help!

In A level business we have been taking part in Young Enterprise. We have created a great booklet called '20B420'. It is an activity book which explains 20 challenges that young people can do before they are 20 years old.

We wanted to create a book that would get young people out of the house, increase their mental wellbeing and to do fun things!

This book is now available for only £4.00 and is posted to you directly!

You can order your copy by making payment via the school on-line system.

Thank you and Merry Christmas! 🎅🌲
